Christmas 2026 Collection

www.fancythathandcraftedcrackers.co.uk

Welcome to our 2026 Christmas Collection.

Here at Fancy That we love a bit of Christmas, especially the main event, Christmas dinner.
The food needs to be tasty and the table well dressed. To us this means having the perfect Christmas crackers.

We aim to combine elegant design with fun, functional gifts. We appreciate that it is the tradition of the Christmas cracker that appeals to us all really but we like to give our guests a gift that they actually want to take home, instead of throwing in the bin.

There's designs appearing on the website all the time, for all sorts of occasions throughout the year.
So keep popping by and having a look.
We'd love to see you.

Partridge Pairing

Holly Jolly
Merry Christmas

Pheasant Heaven

Randolph Reindeer

Furry Friends

It wouldn't be christmas if we didn't spoil our special (furry) ones too. Don't let them feel left out, pick up a cracker for them as well.

Each cracker comes with a toy and a treat but without the snap.

Good Woof

Also comes with a beautiful red and gold collar charm. Perfect for the discerning woof around town.

Perfect Pussycat

This one has feathers and tinkley bells that might help keep your furry adventurers out of the tree for 5 minutes.

Gift Selections

Now for the most important part of the crackers. The gifts. Here at Fancy That we love a good cracker gift. I know, the words good, cracker, and gift aren't normally said in the same sentence. Well not until you found us anyway. We've tried to find a selection of gifts that are both fun and useful for a variety of different budgets. Just choose the gift section that you would like your gifts to come from and we'll pop in a random selection for you. Don't like surprises? Don't worry, you can pick which gifts you get if you prefer.
